Campus Life

If there is one thing Co-Lin students know how to do, they know how to have fun. Rarely can you go into the Grille without hearing the crack of a rack of balls on the pool tables. There are usually groups of friends in the college's lawn reminiscing of old times and creating new memories as they go. In good weather there will likely be a game of some sort going on somewhere around campus. And, yes, some students enjoy a nap once in a while.

The People of Co-Lin

The Games

sports

The Co-Lin Wolves have come through another year of amazing sports moments. While all the school's teams did not win all of the time, they did try their best and have fun doing it. The football team was rooted on by Cheerleaders, band, and Colettes. Mens and womens basketball didn't do a bad job. Tennis, golf, softball, and baseball were always great to watch. And the soccer teams really know how to work the field. GO WOLVES!

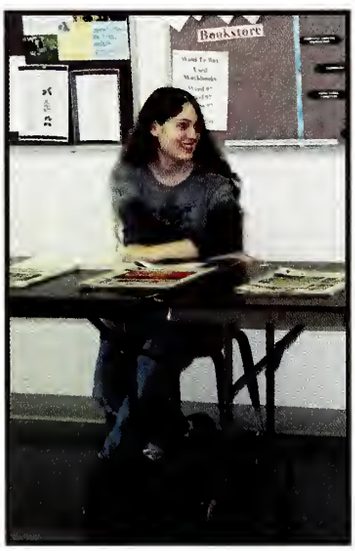
Co-Lin/Natchez



Remembering the Past, Living the Present, and Anticipating the Future

We, the students, faculty, administrators, and staff at Co-Lin/Natchez, find life to be a continuous and exciting journey, filled with remembrance of the past and anticipations of the future.

In remembering our past, we pause to thank those individuals whose tireless efforts through the years help make our campus at Co-Lin Circle a reality. In anticipating our future, many of us look forward to graduating in May and transferring to a four-year college or university. We are also looking forward to increasing our enrollment of 820 students to 1,000 students. And, we are looking forward to the construction of a new Fine Arts building.

While our thoughts are filled with remembrance of the past and anticipations of the future, we have not forgotten to live in the present. Our days are filled with attending classes, taking notes, studying for tests, completing homework assignments, participating in club activities, and making new friends.

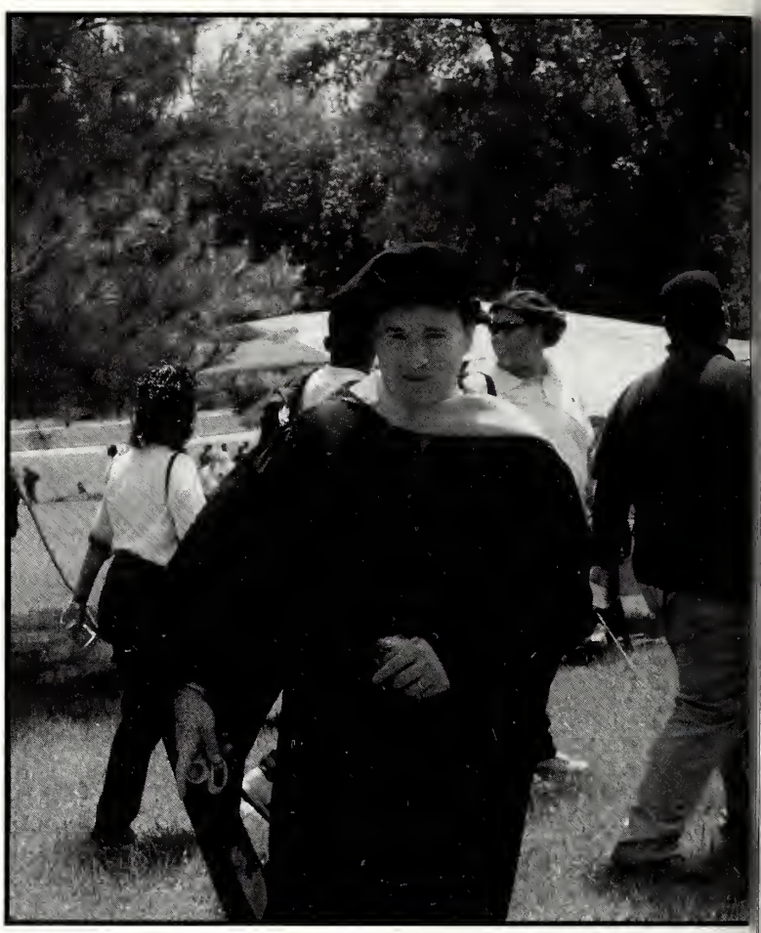
Remembering our past, living the present, and anticipating the future have helped us "learn from our yesterday, live for today, [and] hope for tomorrow."

Ronald E. Nettles
Dean of the Natchez Campus

Ronald E. Nettles became dean of the Natchez Campus in July 1997. For the three years prior to becoming dean, he served as the Director of Community and Economic Development for Co-Lin, where he was responsible for coordinating the development of customized training and educational programs for business and industry. Nettles, a Natchez native, graduated from the University of Southern Mississippi with a Bachelor of Science degree in Political Science and a Master of Science Degree in Educational Leadership. Prior to his employment at Co-Lin, Nettles was the Director of Career Planning and Placement at the University of Southern Mississippi.

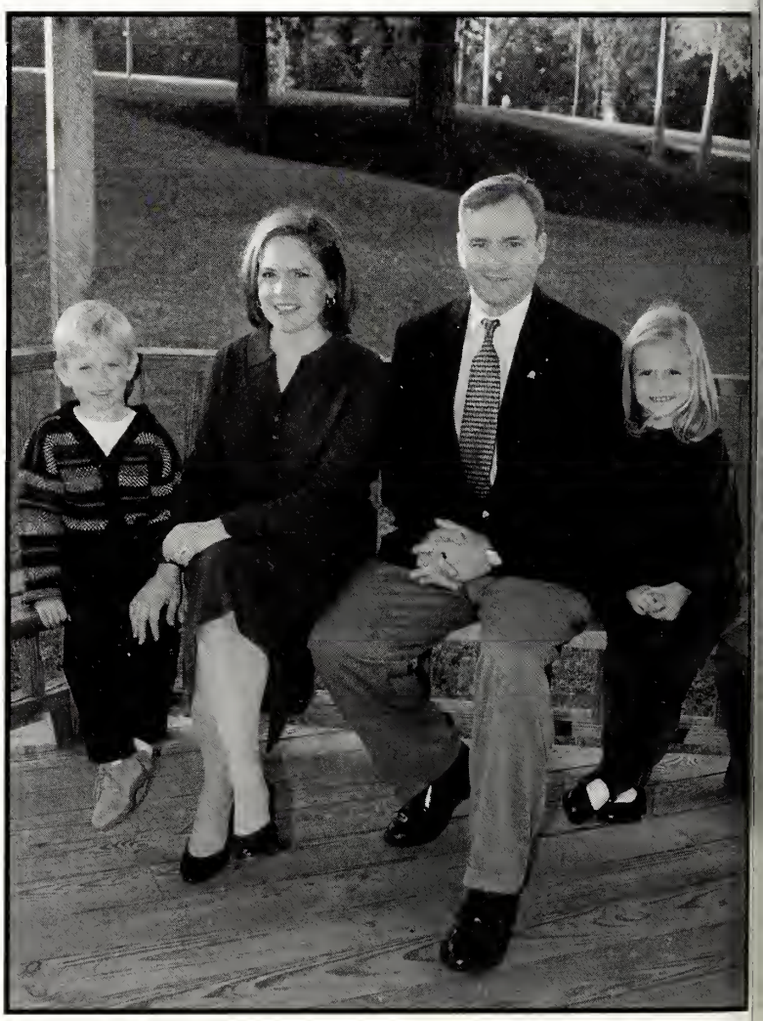
Nettles is an active member of the Natchez Rotary Club and serves on board of directors and co-chairs the education committee of the Natchez Chamber of Commerce. He is also a member of the Academic Deans Association and the Mississippi Association of School Administrators. He is past president of the Mississippi Cooperative Education and Placement Association and the University Civitan Club in Hattiesburg.

According to Nettles, "The Natchez campus has a history of providing quality and affordable education to this community. Our goal is to continue to build on our past success, while at the same time plan for future growth and development of Co-Lin/Natchez."



Nettles dresses up for the Renaissance Faire.

Nettles is never too busy to listen to students.



The Nettles family includes Brandon, Rosie, Ronald, and Jordan.

Gertrude Norman Receives The 2000-2001 Natchez *Trillium* Dedication

One of the most difficult tasks for the *Trillium* staff is selecting the recipient of the Yearbook Dedication Award. This task is usually a difficult one because there are so many individuals at Co-Lin/Natchez who are deserving of this award. However, this year the difficulty of the task was not in selecting a recipient but in keeping the identity of this individual a secret from her until tonight. The reason for this difficulty lies in the fact she is a member of the *Trillium* staff.

This individual has been there for us, often working long hours and giving up a portion of her vacation time to drive with me to Wesson to attend the annual staff meeting, even though she received no pay or college credit hours for her work. She truly made my work as advisor a much easier one. She is not only a valuable member of the year book staff but also a valuable and respected member of the Co-Lin family. Faculty, administrators, and staff know that if they need her help, all they have to do is ask. She has often proctored tests for faculty, ran errands for faculty, staff and administrators, sometimes picking them up from their homes when their vehicles would not start. And, she has done all of this with a smile.

She has been a dedicated employee of Co-Lin, working in the maintenance department for over 14 years. She is a graduate of Co-Lin and Liddell High School in Fayette. She is the mother of three sons: Richard, Robert, and Walter. She is also the grandmother of six. She is a member of Jefferson Chapel Methodist Church in Church Hill where she serves on the deaconess board. In her spare time, she loves to travel and visit with her family and friends. She is Gertrude Norman.

With respect and admiration, the 2000-2001 Natchez *Trillium* dedication goes to Gertrude Norman.
